# Teen Discussion Forum

**Teens, we know you have a lot to say...**

**Your  
opinion  
counts!**

Here's an opportunity to make a difference in your community:

We want to know your ideas for recycling, city services, parks and recreation, after-school programs, health, sports ... whatever you think can make National City a better place.

Present your ideas at the Teen Discussion on **May 8** and we see about sending them to the Neighborhood council and other city officials.
